

Love Portreath – October Report

1. LITTER PICK AND COMMUNITY APPLE PRESS

It was very encouraging to see so many (approx 40) at Litter pick yesterday, and great to see children and young people joining in. Particular thanks to the 3 guys who arrived early and picked up 2 full sacks of litter up Tregea Hill and in the stream! Weather was great and there was a real community feel to the event.

Apple juice was very tasty as was the apple cake! Thanks to Nicole and staff at Portreath Arms for all their hard work.

2. COMMUNITY FAIR TRADE BREAKFAST.

This will take place next Saturday morning (October 10th) at St Mary's Church Hall. 9.00 am to 11.30 am. Cost £3.00. All food locally sourced.

3. PORTREATH FLOOD RESILIENCE SCHEME.

Portreath Arms have kindly offered to host drop in sessions for those who wish to object to the scheme but find navigating the planning portal difficult. Dates and times for these sessions will be publicised when the application is live.

4. NOVEMBER LITTER PICK... SUNDAY 1ST NOVEMBER 10.00 to 12.00

All welcome...firepit and s'mores on the agenda. Refreshments as usual kindly provided by Portreath Arms.
