3. Do you agree that the PSPO is effective in managing anti-social behaviour linked to street drinking in your local area?  
*VERY STRONGLY DISAGREE*  
*There is no signage advertising the Areas the PSOP for Portreath covers. It is not communicated or enforced. This could have been used when the village suffered significant antisocial behaviour in the past, but as no one knew of its existence the police even said they were unable to address the issues due to there not being a PSOP in place! A map showing the areas covered by the PSOP should be made available.*
4. Do you agree that the areas currently included in the 2023 PSPO are the right areas to be included in the renewal of the PSPO?  
*Agree, however would suggest that the names are the areas are reviewed:*
  - 'The area adjacent to and surrounding the Rescue Post' clarification of where this is?
  - 'The Novelty Gold Course and adjacent area of sand' The novelty golf course no longer exists (and has not existed for many years) renaming this area in the order would add clarity. Suggestion for rewording: Grassed area next to the harbour wall and adjacent area of sand in front of the Waterfront Inn.
