

## Chairmans Report January 12<sup>th</sup> 2026

1. A very brief report due to the reduction in activities in holiday season. The Clerk and I accepted an invitation from our MP to attend a meeting with representatives of the EA and community residents to discuss the plans for the flood resilience project. As well as getting the latest update from the EA it was interesting to hear some of the concerns raised by parishioners on various aspects of the scheme. Many of these were answered but there were a number that were not. It was somewhat disappointing that some aspect details were still being “worked on” when the EA said they that they plan to submit a planning application in the Spring. The EA will be holding monthly drop in sessions at the Parish Community Hub to keep residents updated on progress and to answer questions. The first of these will be on January 13<sup>th</sup>, and thereafter every first Tuesday of the month.
