

Cliff Crawford Cllr report Jan & Feb

It's been a busy time for all of us with the storms and floods, I was lucky enough to be able to purchase the last 4 camping stoves from Warrior and dispensed these to older residents around the Paynters Lane area knowing they were without power, my wife cooked batch meals which we delivered to others taking fasks of hot water and checking in on them regularly, I have had reports of many others showing acts of kindness to their neighbours and have found this very heartening.

I have been in talks with the Police liaison team with regards to the lack of Police visibility in the area and have been told they are using a more targeted approach so dealing with different areas so will see a more regular presence at targeted times

Sadly after this I got struck down with the flu and was out of action for a couple of weeks and missed the full council meeting on the 20th as well as some Parish meetings,

26th Jan attended Planning Training on Teams

2nd Feb attended the west sub planning committee

3rd Feb met with residents concerned about the flood resilience plans for Portreath and looking to get some answers for them from the EA

15th Feb teams meeting for Reform Cllr's

18th Feb Illogan Parish Council Meeting

24th Feb Full Council meeting at County Hall, dedicated to the Council Budget

2nd March West sub planning committee at Kressen Kernow

2nd March Police liaison teams meeting
