

Youth Engagement

Youth Nights

The Youth Nights have now STARTED! EVERY MONDAY @ Millennium Hall, Portreath!

5 young people turned up on the 5th June, and they designed the poster to advertise the Launch event!

The first session was held on Monday 19th June and we had 9 young people turn up. This is a great start and we hope that as more young people come, that they will bring their friends and word will spread!

Youth Workers: Adele and Faye

Taster Session Update:

Rugby:

26/06/23 – Unfortunately, this was cancelled due to unforeseen circumstances. We had 9 Young People signed up to these sessions.

10/07/23 – This session is still due to go ahead and we have 8 young people signed up.

Netball:

This was another sport that came out of the Youth Consultation. We have been in conversations with Portreath Primary School about using their Netball court. This has now been agreed. We are now in contact with Netball Cornwall, who we hope will help us to deliver this one off TASTER session. We hope to deliver this in September. Watch this Space!

Dog Fouling Campaign

We met with Cassie at the school and have asked permission to use the runners up poster, for our next campaign. This will be putting posters up and along Penberthy Road for 2 weeks. These are a visual reminder, to dog owners, to pick up after their dog/s.

At the last council meeting, the councillors agreed to the parish purchasing a dog bag dispenser, as long as we have permission from the PIC to put it up, by the entrance to the beach (SLSC side, by the bin). I am pleased to say that we have gained this permission – thank you to Cllr Nash for putting this to the PIC in their June Meeting.

I forgot to ask Councillors, if they would also agree to pay for the dog poo bags. These cost: £25.15 (£30.18inc VAT) per box, which contains 800 bags.

I propose that we buy 2 boxes, of Economy Dispenser Bags for the duration of the trial. Please see information about the bags below. These would be purchased from the same business as the dispenser.

Economy Dog Glove bags from JRB are a pick-up-glove (poop scoop bag) for dog waste and many other hazardous and unpleasant substances. They are safe, convenient, hygienic and inexpensive.

Unlike all other dog poop bags the Dog Glove has a unique construction making it extremely strong and durable.

The Dog Glove is placed on the hand like a glove and is used to pick up the waste. Then the glove is turned inside out as the user withdraws the hand. Knotting the glove creates an airtight seal that eliminates contamination and odour.

The Economy bag is 15 microns thick, and totally degradable.

- Oxo-degradable
- Strong and durable
- Standard colour – green
- 15 microns
- One-bag-per-pull
- 800 bags per case (grouped in 50s)
- Economy Bag

Lelant Garden Centre Outing

This trip went ahead and was a huge success. Cllr G Tull to report.

We have arranged guest speaks up until September:

May – Citizens Advice Bureau

June – Red Watch Fire Emergency Service – To be rearranged

July – South West Water

August – NO COFFE MORNING – SUMMER BREAK

September – Red Watch Fire Emergency Service

Warm Welcome Voucher Scheme

Proposal: The Parish Council start to think about possible projects for this coming Autumn/Winter. Perhaps by inviting suggestions from Parishioners?
