I am surprised and disappointed that you are not doing anything to commemorate the Jewish hostages and the families of those killed on 7 Oct. Please note Hamas wishes to destroy Israel (has had that objective from its creation) and started the war with Israel without provocation. kind regards,

Sorry now with attachments.

I am writing to you to request that you stop this event taking place at your offices on Tuesday.

I am amazed that as a Parish Council you would allow such an event to take place.

This is not only high political but also the content proposed will incite hatred and cause harm to children.

1. Can you clarify why the organisers wish to "show solidarity" ?

Can you clarify what form this solidarity will take?

2. The event organisers talk about providing education on the history of Palestine but there is NO Palestinian state. So Palestine as such as NO HISTORY!

Every time Israel has offered a state, it has been rejected by the Palestinians who have responded with INTIFIDADA, attacks on Israeli citizens and terrorism on Israel citizens.

In 2005 as a concession, Israel removed ALL Israeli settlements from Gaza and unilaterally withdrew from 100% of Gaza, dismantled all settlements, evacuated 9,000 settlers and handed control to the Palestinians. The offer of a Palestinian state was rejected by the Palestinians, who instead launched an Intifida: a terror campaign murdering more than 1,000 Israelis.

Hamas, a UK proscribed terrorist organisation under the Terrorism Act, committed to Israel's destruction, won the Palestinian elections and began launching rockets at Israel and kidnapped Israeli soldier Gilad Shalit.

In 2007/8 Israel proposed a withdrawal from 94% of Judea and Samaria, and Land swap for the remaining 6% to the Palestinians. This was also rejected by the Palestinians.

Please see attached sheets with the full history - is this what is going to be taught on Tuesday?

3) I also question the basis on which you have given your approval to host an event like this. To the best of my knowledge you have NEVER hosted an event supporting the Christians who have been persecuted tortured and murdered around the world, bearing in mind Britain is a Christian Country? Can you please explain this?

Just last year, 4,476 Christians were murdered for their faith, including 3,100 in Nigeria

4) I must also point out that many Palestinians rejoiced on October 7<sup>th</sup> 2023 when their leaders, HAMAS, carried out the most horrific attack against, murdering the greatest number of Jewish people

since the Holocaust, and also rejoiced when those kidnapped have been returned in coffins including 9 month old baby Kfir and 4 year-old Ariel, who had been strangled by bare hands, in public displays of cheering Palestinians with their young children. I should also point out that HAMAS hides terrorists and arms amongst the Palestinian civilian population, in hospitals, schools and nurseries, steals aid meant for their citizens (have you seen photos of starving adults or only the false propaganda of children such as the front of the New York times of a child who in fact has a genetic condition) , "educates" and trains Palestinian children from a very young age to hate and kill Jews.

<https://www.jns.org/the-futility-of-compassion-for-those-who-want-to-kill-you>

Education about the UK proscribed terrorist organisation HAMAS, elected by the Palestinian people, and the atrocities they have committed, would be far more appropriate, as would a memorial for the hostages of different nationalities who were brutally sexually assaulted and murdered in Israel on October 7th, and a vigil **demanding the release of the 50 hostages still held in captivity in the tunnels under Gaza by HAMAS, in the most horrific conditions.**

Education about how Israel has treated Palestinian children in Israeli hospitals, education how HAMAS murdered Israeli peacemakers who worked hard with Palestinian neighbours and transported children to Israeli Hospitals would also be worthwhile.

It was HAMAS, a UK proscribed terrorist organisation, elected by the Palestinian people who started the current conflict without provocation and are committed to destroying Israel, the ONLY Jewish state.

5) I urge you to cancel this event which will only further incite anti-Jewish hatred which has no place in Britain. What starts with the Jews never ends with the Jews.

To hold this event at this time in Britain, in a quiet Cornish village, when 50 hostages remain held in Gaza for almost two years, in the most atrocious conditions, chained in cages, tortured, abused and starved, it not only highly insensitive but harmful to the 20 hostages deemed still to be alive, and their families.

It also will not help to bring about peace in the region, on the contrary it will jeopardise it.

# WHY IS THERE NO PALESTINIAN STATE?

## 1947: UN PARTITION RESOLUTION:

This initiative called for the creation of a majority Jewish and an entirely Arab state out of the British Mandate for Palestine. The Jews reluctantly accepted, while Arabs and Arab Palestinians turned it down and promised genocide.

Had the Arabs accepted, there would have been no war with the Jews of Israel and, consequently, no Arab and Jewish refugee crisis

## 1993-1995 THE OSLO ACCORDS

These were a series of unresolved agreements between Israel and the purportedly reformed Palestine Liberation Organization (PLO) that created a framework for peace and eventual Palestinian statehood by establishing limited Palestinian autonomy, but were never finalized as Palestinian leaders launched ruthless terror attacks against Israelis and rejected the continued validity of the Accords.

## 2000: CAMP DAVID SUMMIT

President Clinton hosted talks on a comprehensive plan including land swaps, with Palestinians to retain 95-99% of the West Bank. Israeli PM Barak accepted the deal, while Yasser Arafat refused it and launched the Second Intifada.

Saudi Arabian Ambassador to the US remarked to Dennis Ross "If Arafat rejects this, it won't be a mistake, it will be a crime."

## 2008: OLMERT PROPOSAL

Israeli Prime Minister Ehud Olmert's plan would have annexed the major Israeli settlements to Israel and, in return, given equivalent Israeli territory to the Palestinians. It would have divided Jerusalem. Mahmoud Abbas left the meeting.

## 2020: TRUMP'S "DEAL OF THE CENTURY"

This proposal included the establishment of a Palestinian state with parts of East Jerusalem as its capital, on the condition that leaders stop inciting and paying for terrorism and disarm Hamas and PIJ. It also included a \$50 billion bonus for the Palestinian state. Israel would have full control of the settlements, with Jerusalem as its undivided capital. Palestinians rejected the proposal.

Do the Palestinians want a state of their own, or do they want a Jew-free land?

If Palestinian leadership wants independence, why do they continue to reject all proposals?

Dear Councillor Ian Stewart,

I am writing to you to express my deep concern and astonishment at your apparent decision to host this event outside your offices on Tuesday.

I am amazed that as a Parish Council you would allow such an event to take place.

As daughter of Holocaust survivors I know only too well where words can lead.

1. Can you clarify why the organisers wish to "show solidarity" ?

6) Trust you appreciate that the content most likely breaches the following Acts:

- Sections 5, 18, 19, 21, and 23 of the Public Order Act 1986, which makes it criminal to publish material likely to incite racial hatred.
- Section 26 of the Counter-Terrorism and Security Act 2015, which obligates local authorities to consider the risk of individuals being drawn into terrorism.
- Section 47 of the Children Act 1989, which mandates that local authorities investigate safeguarding concerns involving children.

7) At a time when government alerts have warned of Iranian agents attempting to harm British Jewish citizens, and commit terrorism on British soil, it is difficult to comprehend how you could approve for this to take place.

Such an event will misinform young people, spread radical Islamist ideology, glorify martyrdom, and spread antisemitic, conspiratorial, and extremist content online, including support for HAMAS, a UK proscribed terrorist organisation.

The risk posed by holding this event with respect to the misinformation, radicalisation of children and potential infringements of terrorism laws is significant.

Dear Mr Stewart,

I am writing to ask why the above event is allowed on Tuesday 19th August at the Portreath Parish Office.

Has the Council investigated to see if the Palestinian Action Group is behind this, a banned organisation.

Can I ask why this group of Seeds of friendship have not supported other conflicts. Christians are being murdered, real genocide in Nigeria and the Druze in Syria and over 2,000,000 Afghans who have been forcibly deported back to Afghanistan by Turkey, Iran and Pakistan.

Palestinian supporting groups up and down the country have caused chaos and hatred not peace and tranquility! There have been many arrests, violence, support for terrorist groups - have you looked into which group is behind this?

Friendship bracelets appear to be very innocent but it's unlikely that it will stop at that. Palestinian activism frequently has been very anti Semitic and supportive of armed resistance by terrorist organisations such as Hezbollah.

Palestinians cheered atrocities on October 7th, 2023 and Hamas has said they will do this over and over again.

They are starving to death the few remaining hostages. There are approx. 20 barely alive, and 30 bodies who have been murdered that they are still keeping hidden in tunnels in Gaza.

Please do not encourage people including children to get involved with this apparently innocent event, which will be more propaganda against Israel.

Yours sincerely
