

Love Portreath Report - 24/10/25

1) OCTOBER LITTER PICK

Weather was good, and there was a real sense of community involvement with about 40 people attending. Also some new participants which was great. Thanks to one in particular who came back with two full bags from the beach in record time!
The apple press was a definite draw, and lots of apples were brought along by parishioners. Thanks to all who arranged this.

2) MEETING WITH MP

This was both informative and constructive. One of the agreed actions was that a meeting would be arranged by our MP between himself, EA, Love Portreath CAN, technical experts and a representative from PPC. Date to be agreed.

3) NOVEMBER LITTER PICK

The next Litter Pick will take place on 2nd November. This time there will be a firepit and marshmallow toasting. All welcome. Refreshments kindly provided by Portreath Arms.
