

## LPCAN REPORT APRIL

### 1. LITTER PICK...Sunday 5th April.

It was a very windy Easter Sunday, but there was a very good turn out of about 30 people, including new faces and visitors, and as usual lots of litter was collected. Members of LPCAN and others in the local community had earlier in the week also removed a large ghost net from the beach.

Thanks as always to all the dog walkers, beach users and visitors who regularly pick up rubbish, this all helps to keep our beautiful beach clean.

### 2. YARD SALE.....Saturday 4th April

This was very successful with stalls dotted all-round the village. St Mary's Church had offered their grounds for anyone who was outside the village to set up stalls, but in the end this was not used due to the weather forecast of high winds. Various stall holders expressed interest in this becoming a regular event which we will be discussing at our next meeting.

### 3. LITTER PICK...Sunday 3rd May

We are expecting a Scout group to join us who will also assist in cleaning street signs in the village. Drinks as usual kindly provided by Portreath Arms. Please come and support us if you can.
