

Love Portreath Report – September 2026

1. CELEBRATING 10 YEARS BEACH CLEAN

Had an amazing turn out, litter pickers from as far away as Newlyn. School Uniform swap also successful, and Sara's mending and repair service.

Rob from Beach Guardian gave an amazing interactive introduction on the beach with lots of info on types of rubbish found, and lots of interesting information. Thanks to Portreath Arms for their provision of special refreshments.

Various ideas going forward

- Liaison with Portreath School, possibly for Rob to visit and raise awareness and encourage children to care for their beach.
- Liaison with Portreath Preschool as part of their 'Caring for our Planet ' week.
- To look into obtaining nurdle pots
- To investigate possibility of recycling for fishing waste on the harbour.
- Opportunity to work with Leonie Walker, Cornwall Council 's Waste Partnership Officer regarding recycling. Leonie attended litter pick yesterday.

2. NATIONAL EMERGENCY BRIEFING.

A screening of this will be held at St Mary's Church Hall on 22nd October. More details nearer the time.

3. FAIR TRADE BREAKFAST...

10th October, St Mary's Church Hall. 9.00am to 11.30 am.

Breakfast will be locally sourced supporting local growers.

4. LITTER PICK 4TH OCTOBER 10.00 TO 12.00 APPLE PRESS TIME !

Please come if you can, and bring apples. Refreshments as usual kindly provided by Portreath Arms.
