

Cllr Cliff Crawford report dated 07/07/2025

Attended:

Carn Brea Parish meeting on the 5th June

Code of Conduct training on the 11th June

Also time spent at County Hall at chamber meetings and training

Illogan Parish meeting on the 18th

Pensions committee on the 19th

Teams meeting with the asset management team with regards to land on lighthouse hill on the 25th

I have raised issues reported with speeding Illogan specifically between Spar lane and Park Bottom, just waiting for feedback as to what resolutions are available

I have also raised an issue with buses not adhering to the 20mph speed limit after receiving an email from a parish councillor, I have emailed GoBus about this as well.

I have been working with the planning Dept. with regards to a local planning dispute and had a site visit with Joanna Dawe on the 27th

Training has started for the Committee and I had a full day on this on the 19th followed by Reform Councillors AGM in the evening

On Monday 23rd meeting with the West Sub Planning Committee and on the 24th Casework assist Training.

I am in correspondence with a number of local projects and working with Helen Neale to find ways of obtaining funding
