1. INTRODUCTION

Portreath Parish Council is committed through this policy to promote Portreath Parish as a vibrant, active and sustainable community and to contribute to the development of various projects and services that benefit the community. In so doing, the Council is aware of its responsibility for public funds and for the distribution of these funds to be managed in accordance with proper standards. A grant payment is made by the Council for the specific purpose it is claimed for.

2. TYPE OF GRANTS AVAILABLE

There are three types of grant available:

- a) Small grants for grants up to £ £300
for voluntary / community group, registered charity, not for profit organisation or Community interest Company (CIC). Open for application at any stages in the financial year.
- b) Large Grants for grants over £300
for voluntary / community group, registered charity, not for profit organisation or Community interest Company (CIC). Must be applied for by October for inclusion in the following year's budget.
- c) Emergency Grants for grants over £300
for voluntary / community group, registered charity, not for profit organisation or Community interest Company (CIC). Open for application at any stage of the financial year.

3. ELIGIBILITY FOR GRANTS

To be eligible for a grant from Portreath Parish Council, the applicant must be able to meet all of the following criteria:

- a) Be a voluntary / community group, registered charity, not for profit organisation of Community interest Company (CIC) that can tangibly benefit for the benefit of the people of Portreath.
- b) Provide a completed grant application form signed by the person authorised to apply for the grant on behalf of the organisation. Application forms are available from the parish Clerk or from the website.
- c) Be able to demonstrate sound financial management. Ideally last year's accounts should be provided.
- d) Where other funding is required, the grant is conditional on the other funding also being available.

4. CRITERIA FOR SELECTION

- a) Sustainability – Are the aims and objectives of the project clear? Projects must demonstrate sustainability and long-term value for money.
- b) Management – Has the organisation obtained the correct permissions, have they nominated a responsible person to ensure that the project will be implemented, are they acting within current legislation? Only projects that are properly managed and compliant will be funded
- c) Need - There should be clear evidence of the need.

- d) Self-help measures - Where self-help measures have been put in place, applications are more attractive. Have you applied for other grants?
- e) Beneficiaries - The grant must be for the benefit of the people of the Parish of Portreath.

5. APPLYING FOR A GRANT

- Applications for small grants will be considered at full council meetings which are usually held on the first Monday of the month, until the funding has expired for the financial year.
- Applications for large grants will be considered at the October meeting for inclusion of the council budget for the following financial year.
- Applications for emergency grants will be considered at full council meetings which are usually held on the first Monday of the month, until the funding has expired for the financial year.

Grant application forms should be completed as fully as possible and return to the Parish Clerk.

Incomplete or incorrect forms will be returned so that full information can be provided to the council prior to discussion.

If you need assistance with completing the application form please contact the Parish Clerk.

6. IF YOU ARE SUCCESSFUL

If you are successful you will be notified by the Council in writing and payment will be made into your organisations bank account by BACS. Please ensure that the bank account details provided are correct.

Financial support from the Council should be acknowledged in any publicity relating to the project and in the organisation's annual report. Copies of this material should be sent to the Council. Where possible, items purchased with Council's support should be marked as such.

The funding may only be used for the purposes set out in the grant application.

If it transpires that funding cannot be utilised for the agreed purpose you must notify the Council at the earliest opportunity.

7. ON COMPLETION OF THE PROJECT

Confirmation in writing is to be given by the "Project End Date" that the project has been completed. The letter should verify that the funding has been used for the agreed purpose. A brief statement showing how the grant was spent and how successful it was will be required.

If for any reason the entire grant monies are not fully used then the surplus must be returned.

For large grants you may be asked to provide a presentation for the Annual Parish Meeting on the use of the grant.
