

YOUTH TAG RUGBY SESSION IN PARTNERSHIP WITH REDRUTH RUGBY CLUB, SUPPORTED BY THE PIC

On Thursday 11th May, we held the final planned Taster Session on Portreath Beach. The Tag Rugby sessions were requested by the young people, through the Youth Consultations, that we held in January and February 2022, and celebrated in March at Basecamp, Gwel an Mor.

Lucy and myself worked with Jason Pengelly (Redruth Rugby Club), to arrange this event, and deliver what the young people had requested.

It was a successful event. We had 16 young people attend the session, a good mix of boys and girls aged from 11 – 14. The majority were from Portreath, with a few from neighbouring parishes. It was threatening rain, but the sun shone for most of the session. Tristan the coach, did a mixed session of rugby skills, British bulldog and short rugby games made up of teams. All the young people seemed to have had a great time, having worked hard on their rugby skills!

As the event was so successful, we are now working with Jason at Redruth Rugby Club, to run some more sessions. Watch this space!
